

2025 10TH INTERNATIONAL CONFERENCE ON MULTIMEDIA SYSTEMS AND SIGNAL PROCESSING

**MAY 9-11, 2025
FUKUI, JAPAN**

ABOUT ICMSSP

The aim of **ICMSSP 2025** is to present the latest research and results of scientists related to Multimedia Systems and Signal Processing topics. This conference provides opportunities for the different areas delegates to exchange new ideas and application experiences face to face, to establish business or research relations and to find global partners for future collaboration. We hope that the conference results constituted significant contribution to the knowledge in these up to date scientific field.
